

Melissa Patton with the newly published Supplementary Regulations

The Countdown Begins.....

Hot on the heels of the Official Press Launch comes the news that the organisers have now released the Supplementary Regulations and Entry Forms for the events which will make up the **2010 Todd'sleap.com Ulster Rally** on 20/21 August.

The event documentation can now be downloaded from the competitor page at <http://www.ulsterrally.com> and competitors may choose which event they wish to compete in.

The 2010 Ulster Rally is offering 5 different events over the motorsport weekend from National B status right up to full International standard to include:

Todd'sleap.com Ulster (WRC) Rally – National A Status event for World Rally and Group A four wheel drive cars only including competitors contesting the Citroen Irish Tarmac Rally Championship. The rally covers 127 miles over 14 stages

Todd'sleap.com Rally NI – International Status event for homologated cars included in the Dulux Trade MSA British Rally Championship, the Citroen Irish Tarmac Rally Championship, Mitsubishi Ralliart Evo Challenge, Citroen Racing Trophy, Fiesta Sport Trophy and the Swift Sport Cup. Rally NI also covers 127 miles over 14 stages

Todd'sleap.com Ulster Historic Rally – National A status event catering for competitors contesting the Dunlop/WONAGO.com MSA British Historic Rally Championship. The Historic event will compete over 12 stages with 112 miles.

Todd'sleap.com Ulster Challenge Rally – National B event for competitors registered for the BRC Challenge which includes the Fiesta Sport Challenge and the Citroen C2R2 Cup. The challenge event runs over two legs, with a total of 81 miles over 9 stages.

Todd'sleap.com Ulster National Rally – National B event providing classes for modified cars including competitors from the Citroen Tarmac Modified and Historic Championships. The National event takes in 9 stages over 79 miles.

After the successful introduction in 2009, the **Online Entry System** will again be available as an option for all the 5 events and competitors are recommended to make use of the system which will greatly streamline and speed up the process of securing an entry in the award winning Ulster Rally.

Scrutineering takes place on Thursday evening and Friday morning the 20th, with a shakedown stage also on Friday morning. The action starts just after lunchtime in Antrim Town Centre, with servicing throughout Friday and Saturday at Junction One International Outlet Shopping Centre. The various events will finish at Junction One from mid-afternoon on Saturday 21st Aug.

The early closing date for entries is 28th July and entries will finally close on the 4th August; so book your place now for the Todd'sleap.com Ulster Rally.
