The 2010 Ulster Rally event format has necessitated changes in the Citroen Irish Tarmac Rally Championship Regulations as indicated below.

The outcome of these changes will mean that the results of the WRC event will be used to allocate class 6 scores only, and the results of both events will be combined to allocate all Overall Championship and Category scores.

These changes to the Championship Regulations have been approved by Motorsport Ireland.

Don Wilmont,  
Citroën Irish Tarmac Rally Championship Manager.

## *Article 1.0 Championship Events*
